

## Welcome Service Bremen

- What is needed for a residence or work permit?
- Where can I get my educational and professional qualifications recognised?
- Where do I get a road licence for my car?

Foreigners setting up their own business or starting a company, as well as skilled workers and executives from abroad, face particular challenges in Germany.

### The Welcome Service

- > provides information to help find your bearings
- > advises on resident permit issues
- > points to the competent authorities, for example for recognising educational qualifications gained abroad, or for residence permits for people forming start-ups
- > supports Bremen companies in recruiting skilled workers from abroad

Whatever your concern, be it obtaining visas, registering with the authorities, obtaining permits, or questions about living in Bremen – the Welcome Service provides all-round support!
